

Font License - Indie

Commercial Use License. This is a digital product. This license grants you and /or the company you represent full commercial use license for 1 font created by Darrell Flood.

Further Details

- This font can be used in all / any media (example: games / print / toys / broadcast / web / stream / digital etc.)
- This font can be modified for use in any way the company sees fit
- The font can be installed / used an unlimited number of times on an unlimited number of devices by **up to 5 people** in the company

Seller's Terms and Conditions

License:

- * Permits **up to \$50,000** annual turnover (most recent years turnover)
- * Applies worldwide, in perpetuity
- * Is non-exclusive
- * Covers use in all media
- * Permits embedding where required (in apps / sites) - with the exception of cases where such apps / sites allow users to create and sell their own creations - please buy the "Business License" for such use
- * Reformatting of the font files into other font files for resale is not permitted (example conversion to and reselling as .woff files is not permitted)
- * Redistribution of the original font files - the .ttf and .otf files - (with the exception of embedding) is not permitted (redistribution inside the company and between company employees is permitted)
- * Using the font files or preview images for "training AI" is not permitted
